

2015 - 2016 Extended Care Contract

The goal for the Extended Care program is to provide a secure, loving environment where children feel special, safe, and look forward to participating. Planned activities include homework completion, indoor and outdoor recreation, arts and crafts, videos, small group activities and snacks.

The Christ School provides extended care for students who need before school care, or who remain after normal school hours. Each child who participates in Extended Care must be pre-registered. We do not accept "drop-ins." Extended Care observes the same holiday schedule as The Christ School and is closed as designated on the school calendar. Extended Care is not provided on days of early dismissal.

Extended Care is open until 6:00 p.m. daily. ***There will be a charge of \$10 for each quarter hour, or any portion thereof, for students picked up after 6:00 p.m.*** Parents are billed monthly. Students who are repeatedly picked up late may be dismissed from the program.

All participating students must be signed out at the front desk by the parent or one of the authorized persons listed on the student's *Extended Care Enrollment Information* sheet (see attached). Students may not be released to attend other on campus activities without written parental permission and arrangements made in advance with Extended Care staff.

Students may not attend Extended Care until all fees have been received, or arranged in FACTS.
