#### **ACCIDENT INSURANCE**

All students attending The Christ School are covered by the school's excess accident insurance policy. The cost for this coverage is included in tuition and fees.

#### **ACCREDITATION**

The Christ School, Inc. is a fully accredited member of Christian Schools of Florida (CSF) and the Florida Council of Independent Schools (FCIS). The accreditation process requires that our school be reevaluated every five years. Accreditation assures that The Christ School maintains excellent standards in instruction and academic performance, governance, administration and finances. We are proud that The Christ School received its initial CSF accreditation, (April, 1999) in the shortest possible time and maintains active accreditation. Additionally, we completed our initial accreditation with FCIS in the Spring of 2016 by achieving 100% of the accreditation standards.

#### ANIMALS ON CAMPUS

Animals are not permitted on The Christ School campus unless they are part of either a short or long term classroom project. All TCS programs under this policy should be approved, in advance, by the classroom teacher. \*Service animals are permitted

# ANNUAL NOTIFICATION OF AHERA MANAGEMENT PLAN AVAILABILITY

In accordance with the AHERA Regulation 40 CFR 763.93 (g) (4) concerning Notification of Plan Availability, please be advised that the AHERA Management Plan is located in the Administration Office of The Christ School. Please contact the Director of Business Operations if wish to make an appointment to review the Management Plan.

The Management Plan is a site-specific guidance document that the Director of Business Operations, The Christ School's Designated Person, must follow in managing the asbestos-containing building materials (ACBM) present in the school.

Generally, ACBM at the school consists of non-friable (cannot be crumbled, pulverized or reduced to powder by simple hand pressure; accordingly, non-friable materials are less likely to release fibers that can become airborne and create a health hazard) old flooring material that is completely covered by newer non-ACBM floor tiles. Friable materials (i.e. pipe insulation and hard fittings associated with fiberglass pipe insulation) can be found in areas of limited access such as behind hard

walls and above hard ceilings.

The Management Plan is updated to keep it current with the on-going operations and maintenance, periodic surveillance, re-inspection and response action activities. AMEC Environment & Infrastructure, Inc., an EPA-accredited and Florida-licensed asbestos consulting firm has completed our AHERA inspections. If you should have any questions regarding AMEC's inspection reports or the Management Plan, please feel free to contact the Director of Business Operations at 407-849-1665.

#### APPLICATION / ASSESSMENT / ADMISSION

Applications for admission are accepted throughout the year for current TK through 8th grade students. Upon receipt of completed application(s), the student's assessment will be scheduled.

Kindergarten applications for admission are accepted throughout the year. All applications will be evaluated. Assessments for new kindergarten students will be scheduled on selected Saturdays in January and/or February. Student attendance at the assigned assessment session is mandatory. Applications received after January will be assessed on an individual basis if space is available.

All applicants will be evaluated in four areas: academic readiness, social development, current teacher referral, and priority category (1. Sibling of enrolled TCS student or graduate; 2. Weekday School or Magnolia Preschool student; 3. FPCO Member; 4. Community).

Following the assessment process, parents will be notified of their student's application status. There are three possible categories: admitted; not admitted; accepted but placed in a waiting pool. Admitted students must confirm their placement by the date specified in their acceptance letter. An initial, non-refundable tuition deposit and new student fee is required. If additional space becomes available, applicants are selected from the waiting pool. TCS will select students from the waiting pool who are mission appropriate and offer characteristics to ensure a successful classroom learning environment.

The Christ School maintains an open admission policy and does not discriminate on the basis of race, color, gender, religion, national or ethnic origin.

#### ATTENDANCE POLICY / ABSENCES

Students are expected to attend school on a regular basis and to limit unnecessary absences. Regular school attendance provides students with the opportunity to master skills and concepts that may not otherwise be possible if not in attendance. Parents are expected to notify their child's teacher when their child will be absent from school or provide a note following an unexpected absence. To be considered present, a lower school student must be in attendance for more than half of the school day. Middle school attendance is taken each class period. To be considered present, a middle school student must be in attendance for more than half of the class period.

Teachers record attendance each morning (Middle School teachers record attendance for each class). Absences are recorded in RenWeb and become a part of the student's school record.

# Make Up Work Following an Absence

Every effort will be made for the student to make up work missed during the absence upon the student's return to school. An extended absence may require additional tutoring and/or parental assistance. Work to be made up, including tests and quizzes, is at the teacher's discretion. Students are permitted the same number of days as the length of the absence to complete missed work. The teacher will work with the student and the parent if more time is needed. In circumstances of prearranged absences, some work may be provided to the student prior to the absence.

#### **Pre-Arranged Absence Procedures**

At times it is necessary for a student to be absent from school to attend a family vacation or event. In the event of planned absence, the following process should be followed:

Any planned absence should be communicated with the teacher at least 48 hours prior to the first day of the absence.

Students will complete the missed assignments either before departure or upon returning from the absence in accordance with the school attendance policy. Major assignments that are due during the planned absence must be submitted before the first day of the planned absence.

The Christ School is not responsible for providing instruction regarding the material presented in class during the absence.

Teachers are not expected to accelerate their typical lesson planning in order to provide accommodations for pre-arranged absences. The teacher will provide the

assignments from the plans he/she has completed at the time of the student's last day of attendance prior to a planned absence. The remainder of the assignments will be provided to the student upon his/her return.

Tuition will not be prorated for any absence from school.

#### **Early Checkout**

At times, students need to be picked up from school before the end of the school day. Parents are requested to limit early checkout days as much as possible in order to preserve the learning environment. The Lower School day ends at 3:15 p.m. and Middle School day ends at 3:35 p.m.

#### **BIRTHDAY CELEBRATIONS**

Students' birthdays will be recognized as determined by their classroom teacher. These plans will differ from grade to grade and be developmentally appropriate. Parents must coordinate with the teacher prior to making any plans. We expect the primary family celebration to occur outside of school, with any recognition at school kept to a minimum. Party invitations may not be distributed out at school unless every member of the class is invited.

#### **BOARD OF TRUSTEES**

#### CARPOOL /REGULAR DROP OFF AND PICK UP

Cell phone usage is not permitted in an active carpool line, this includes Bluetooth. For the safety of our school community, the use of any electronic communication devices during carpool is not permitted. We appreciate your cooperation with this important safety matter.

# **Morning Carpool**

Carpool hours are from 7:50 a.m. - 8:10 a.m. under the Angel Wing. Allen Hall opens at 7:50 a.m. to welcome students (with the exception of enrolled early care students beginning at 7:00 a.m.).

#### Afternoon Carpool

Grades TK-5 carpool begins at 3:15 p.m.

#### Middle School

Carpool begins at 3:35 p.m.

#### Older siblings / older carpool riders:

- If you are picking up more than one child, please arrive at the oldest child's dismissal time.
- Younger children will be in a specific area awaiting your arrival at the oldest child's dismissal time.

#### Please note the following:

- Every passenger in the vehicle must have a seat and a restraint.
- Cell phone usage is not permitted in an active carpool line, this includes Bluetooth.
- Keep in mind that we share this great campus with FPCO and may need to make adjustments to carpool based on significant events in their schedule.

- Walk ups will enter Allen Hall at the front door and exit via the door on the south side near Clayton Life Center.
- Parents must complete the Transportation form on RenWeb listing the non-custodial individuals who are permitted to pick-up their child at TCS. If a person is not listed on this form or identified in a note or call from the parents to TCS office, the student will not be released until contact is made and permission given by custodial parent.
- Please be patient. At the beginning of each school year, the carpool line may move slowly. The length will improve once carpool groups form, and when parents, teachers and students become more familiar with the system. The Christ School encourages families to carpool.
- Please exercise care. Wait until all students in your carpool have entered or exited your car and the doors are securely closed before you pull forward. Watch for students walking in front of your car. Please remain in your car at all times during carpool and devote your full attention to driving and to the safety of all students and staff.
- Students not registered in the REACH program and not picked up from school by 4:00 PM (carpool ends at 3:50 p.m.) will be sent to the appropriate REACH group to await pickup. Consequently, a REACH drop-in fee of \$25 will then be billed to the family's account.

#### CODE OF STUDENT CONDUCT/DISCIPLINE POLICY

At The Christ School, we strive to create a learning environment where every child feels safe and valued. We are a Christ-centered school and seek to teach students to love God and love others. The standards of behavior at The Christ School are based on the belief that God, through His Word, provides standards for His children to follow. The Christ School seeks to maintain an orderly and disciplined learning environment at all times to fulfill our mission.

Teachers, administrators and staff believe in an *instructional* approach to discipline focused on the following foundational principles:

- **Focus on Instruction** teaching students how to be successful and behave responsibly in the school environment, providing practice, encouragement and correction.
- **Provide Positive Feedback** inviting students to become part of the educational process, acknowledging steps towards success in a way that helps students feel a sense of pride and accomplishment.
- **View Misbehavior as a Teaching Opportunity** teachers and staff are consistent in their responses to poor behavior choices so that our students know what is expected of them at all times. Teachers and staff use a common language when teaching appropriate behaviors.
- Collaboration Increases Success teachers and the entire school staff work together to share expertise and support one another.

The school-wide behavior plan in place is ROPES, *Refining Our Positive Expectations Schoolwide*, and was developed by teachers, administrators and staff. The discipline policy described below is classroom-centered, teacher-focused policy designed to give teachers and staff the tools needed to implement an instructional approach to discipline and maintain an optimal learning environment. the plan describes three levels behavior with appropriate corrective responses to guide the teacher in responding to student behavior.

Refining Our Positive Expectations Schoolwide

# LOWER SCHOOL (TK-5) PROGRESSIVE DISCIPLINE POLICY

#### LEVEL 1

Level 1 (mild) infractions are minor misbehaviors that can be adequately corrected at the time they occur. A staff member who observes a Level 1 infraction corrects the student in the setting.

# Types of Behavior may include but are not limited to the following:

- Dress policy violations
- Failure to follow teacher's instructions or classroom procedures
- Name calling/teasing
- Minor classroom disruption
- Inappropriate hallway, lunchroom or playground behavior
- Inappropriate language

#### **Corrective Responses:**

- Non-verbal correction
- Gentle verbal reprimand
- Proximity correction
- Family contact
- Discussion
- Timeout at students desk
- Time owed
- Planned ignoring
- Restitution
- Positive practice
- Loss of privilege
- Temporary placement in another classroom
- Time-out of an activity

#### IFVFI 2

Level 2 (moderate) infractions are misbehaviors that do not require immediate administrative involvement, but do require documentation for one or more of these reasons:

- The student was removed from the setting and lost instructional time
- The reporting staff member wants or needs administrative input (e.g., a teasing incident might be harassment or bullying)
- The reporting staff member thinks the administration should be aware and have a record of the situation (chronic)

# Types of Behavior may include but are not limited to the following:

- Ongoing name calling/teasing (bullying)
- Disrespect/disobedience
- Lying
- Cheating
- Repeated use of inappropriate language
- Continued disruption of teacher and/or instruction
- Excessive and/or recurring Level 1 infractions within the same semester

## **Corrective Responses:**

- Parent communication (2-way)

- A Parent-Teacher-Student conference may be required prior to the issuing of a Level 2 offense for recurring behaviors

#### LEVEL 3

Level 3 (severe) infractions are serious misbehaviors that require immediate administrative involvement and written documentation. They include misbehaviors that are illegal or are so severe that the misbehaving student's continued presence in a setting poses a threat to physical safety or to adult authority (i.e., if the student stays in the setting, the adult could lose control of the situation).

A staff member who observes a Level 3 infraction sends the student to the office or calls for help to remove the student, then completes a Conduct Report Form that is submitted to the administrator.

# Types of Behavior may include but are not limited to the following:

- Any illegal behavior
- Physically dangerous behavior (e.g., fighting, physical aggression/confrontation)

- Intimidation/threats
- Flagrant disrespect (e.g., swearing at a staff member)
- Bullying and harassment
- Refusal to follow reasonable adult direction An act in which a student engages in overt and immediate refusal to comply with reasonable adult direction. Student refusal to comply should be considered a Level 3 infraction only when the following conditions are met:
  - The direction is clear and observable
  - The direction is immediate
  - The direction is given three times

At the second repetition of the direction, the staff member emphasized the seriousness of the student's choice. At the third repetition, the staff member writes the direction (thus giving the student time to respond)

- Inappropriate use of technology resources
- Defacing or damaging property
- Theft

#### **Corrective Responses:**

- An Administrator-Parent-Student conference will be required prior to the issuing of a Level 3 offense.
- A Conduct Report Form will be issued for Level 3 offenses
- Level 3 offenses are referred to the school administration by the teacher with his/her support for consequences, which may include in or out-of-school suspension
- Severe or continued Level 3 offenses may also result in conditional enrollment status or dismissal from The Christ School.

#### LEVEL 2

Level 2 (moderate) infractions are misbehaviors that do not require immediate administrative involvement, but do require documentation for one or more of these reasons:

- The student was removed from the setting and lost instructional time

- Severe or continued Level 3 offenses may also result in conditional enrollment status or dismissal from The Christ School.

#### **BULLYING AND CYBER-BULLYING POLICY**

Bullying behavior is defined as: repeated, willful attempts or threats to cause injury, to intimidate, to harass, to exclude or to embarrass that substantially interfere with a student's education or the educational environment.

No student shall bully another student or students; either expressed or implied. Bullying can be expressed in but not limited to: physical contact, written, verbal, or electronic communication.

If a student is the victim of such behavior, he or she is strongly encouraged to discuss the behavior with his or her parents and a TCS faculty or staff member. Students and parents are expected to report any bullying behavior, either experienced or witnessed, to a person in authority at school.

The TCS bullying policy includes any bullying and forms of cyber bullying which is a method of harming or intimidating another student by harassing him or her through the use of phone calls, text messages, instant messenger, posting or spreading hurtful comments, videos, or audio records online through personal websites and social networking websites such as Facebook and Instagram, and any other method.

TCS will not tolerate any bullying or cyber bullying actions. Cases of bullying will be considered at minimum a level 2 offense and addressed in a manner appropriate for the age of the student and the incidents that have occurred.

#### **COMMUNICATIONS**

RenWeb is the primary source for Home/School communication for our parents to receive current school-wide and student-specific information. RenWeb provides parents a single place to view teacher weekly newsletters as well as their child's grades, assignments and scheduled tests. When there is a change in demographic information for any child, a parent should update RenWeb immediately.

#### **COMMUNITY SERVICE**

"...whoever wants to be great among you must be your servant, and whoever wants to be first must be your slave—just as the Son of Man did not come to be served, but to serve, and to give His life as a ransom for many."

- Matthew 20:26-27

Students at The Christ School learn how to serve others through community service projects. These projects are a regular part of classroom and school-wide activities. Students participate in community service by contributing their time, talents and treasures. Examples

of projects TCS students have supported include: Give Kids the World, Grace Medical Home, Equine Angels, The Boggy Creek Gang Camp, Restore Orlando, Operation Christmas Child, Crisis Nursery, Braille Bible Foundation, Coalition for the Homeless, Seniors First along with various retirement and nursing homes. We hope that parents will encourage their children to demonstrate a servant's heart through helping around their home, in their neighborhood and through scouting or church groups. Many community service efforts at The Christ School are coordinated through The Christ School Parent Teacher Fellowship including our annual school-wide "One Great Day of Service."

#### COMPASS PROGRAM

- The COMPASS program is provided for students who have been documented as having a learning disability, attention deficit/hyperactivity disorder, and/or gifted.
- The goal is to assist our students in reaching their maximum learning potential.
- Program cost is in addition to tuition, and some services are contracted with a third-party.
- iv. The program provides group and individual sessions, as appropriate and when possible.
- v. Academic plans are developed based on the needs of the student.
- vi. Interventions are communicated to the classroom, and specials teachers by the COMPASS teacher in conjunction with the Student Support Specialist.
- vii. Schedules are coordinated with the classroom teachers.
- viii. For more information contact the Student Support Specialist.

#### **CONCERN RESOLUTION**

The Christ School partners with families to provide an academically rigorous and Christ-centered K-8 experience. In order to accomplish this mission, the school values open, candid and constructive communication among stakeholders. If concerns arise during the school year, it is important that all stakeholders understand the school's resolution process and the need to address concerns in a manner that supports a strong sense of school community.

The Christ School's concern resolution policy is based on scripture found in Matthew 18:15-16,

Whenever a concern arises, it should be addressed directly with the person(s) involved. When concerns escalate, it is frequently due to the lack of clear and direct communication.

Students, parents, teachers and staff members have the right and responsibility to address concerns in an open manner and should never experience retaliation for their efforts to share and seek resolution of a concern.

#### Policy

Oversight of the administrative operations of the school, including concern resolution, is assigned to the Head of School by the Board of Trustees; individual Board members do not engage in the resolution of day to day concerns. It is the expectation of the Board that the Head of School will ensure the implementation of the following concern resolution policy:

If a stakeholder has a concern, he or she should first communicate directly with the teacher or staff member involved in an attempt to resolve the concern. If a meeting is requested from either party, all individuals involved should make their best efforts to schedule the meeting within 2 school days of the request. Meetings may be conducted in person, by phone, or in any mutually agreed upon manner.

If the stakeholder feels the concern remains unresolved, a meeting should be requested with the teacher or staff member and their immediate supervisor to discuss the concern. Please contact Theresa Opsahl if you need to identify an employee's supervisor. Any follow up actions, with corresponding timeline, shall be documented and agreed upon during this meeting. All parties shall be accountable for the agreed upon plan.

If the stakeholder feels the concern is still unresolved, the final step is to request a meeting with the Head of School. The Head of School will work with all individuals involved to seek a resolution. The outcome of the meeting and any follow up actions, along with corresponding timeline, shall be documented and agreed upon prior to the end of the meeting. All parties shall be accountable for the agreed upon plan.

#### **ENROLLMENT CONTRACT**

This ENROLLMENT CONTRACT ("Contract") is made by and between The Christ School (the "School"), and the parent(s) or legal guardian(s) (individually and collectively, the "Parent/s") of the student named in this online enrollment packet ("Student").

#### Term

The Parent/s understand and agree that an intent of this Contract is to provide for a continuing academic relationship until Student graduates from the School or the Contract is terminated, whichever first occurs. Accordingly, the initial term of this Contract shall be for the 2016-17 school year, which is expected to begin on or about August 10, 2016, and end on or about May 26, 2017, after which it shall renew automatically for successive one-year school year periods until any such graduation or termination occurs.

This Contract may be terminated by the Parent/s as to any subsequent school year upon submitting a hard-copy written notice (email is not an acceptable form of written notice) of termination to the Director of Admission on or before February 15th of the then-current school year. For purposes of explanation, if Student will not be returning to the School during the following school year, the School must receive hard-copy written notice from the Parent/s about that decision by February 15th of the then-current school year. Any failure to timely provide such notice shall result in the Parent/s being obligated to pay Student's entire tuition for the subsequent school year. The School shall provide information regarding the subsequent school year's tuition amount to the Parent/s at least two weeks in advance of such February 15th date.

## Acknowledgments

The Parent/s will read and comply with the rules and regulations of the School as outlined in the Parent Handbook, as may be amended from time to time at the sole discretion of the School.

The School reserves the right to suspend or dismiss any student who has a conduct record judged to be unsatisfactory by the Head of School. The School requires each student to make measurable and acceptable academic progress toward the requirements for promotion and graduation. In the event Student fails to make demonstrable academic progress, the School reserves the right to dismiss Student or to withhold the offering of an enrollment contract for the following academic year. In the event Student is dismissed from the School, the School shall not be liable for claims or for any costs or expenses incurred as a result, and no reduction of the financial obligation to pay the full annual tuition will be made. Tuition deposits and new student fees are not refundable.

Student has permission to participate in field trips and School sponsored, off-campus activities. Student has permission to access computer and internet resources as made available by the School. The School has permission to provide emergency medical care or treatment to Student. As required by law, the Parent/s will provide updated immunization records each year to the School. The School has permission to take and use visual/

audio images of Student including any type of recording whatsoever including but not limited to photographs, digital images, drawings, renderings, voices, sound or video recordings, audio clips or accompanying written descriptions and said images may be used in any manner or media without notifying the Parent/s in advance. Such potential uses include educational, promotional, advertising, and trade, through any medium or format, including, but not limited to, videotape, audiotape, film, photograph, television, radio, digital, internet, theater, or exhibition and may appear on School sponsored web site and in publications, promotions, broadcasts, advertisements, posters and theater slides. The Parent/s agree that the School owns the images and all rights related to them.

If the Parent/s account is in arrears more than 60 days from the date of charge, Student will not be allowed to take examinations. Grades or transcripts will not be released until the Parent/s account is current. Furthermore, certain fees may be added to the Parent/s account for items such as library books, textbook charges, field trips and/or other educational opportunities, athletic fees/uniforms. The Parent/s also understand that in the case of a split family, the School will not recognize fractional tuition responsibility; all legal guardians or custodians of Student are jointly and severally responsible for all tuition and any other fees due to the School. Additionally, the Parent/s agree to pay reasonable attorney fees and costs associated with any action to enforce this Contract.

By signing the enrollment contract, Parent/s agree to be bound by the terms and conditions expressed herein effective as of the date electronically signed; and further understand that employment contracts with faculty and staff of the School are for the full Academic Year, and, as a consequence, the obligation to pay all charges for the full Academic Year is unconditional. No portion of such charges, whether paid or outstanding, will be refunded or canceled notwithstanding the subsequent absence, dismissal, or withdrawal of Student from the School before the end of the full academic year. The School's Refund Policy for Withdrawal of a Student will only apply to situations resulting in the death or medically certifiable total disability of Student, or if Parent/s move to a location 50 miles or greater from the School.

\*In 2-parent households, both parents are required to sign.

# WITHDRAWAL REFUND POLICY FOR STUDENTS WITH TOTAL DISABILITY OR MOVING OUT OF AREA

The Enrollment Contract (Contract) with The Christ School (TCS) represents a family's commitment to pay the entire school year tuition amount. This policy is

applicable on a per-student basis. Should a student leave the school during the school year and be entitled to a refund pursuant to the terms of the Contract, this policy specifies an amount based on the date of withdrawal.

If a refund is authorized, the refund will be calculated as follows:

Withdrawal prior to February 15th: Family will be released from the Contract and any tuition or fee payments received by the school prior to this date will be refunded, except for nonrefundable fees and deposits.

Withdrawal after February 15th and prior to the first day of school: Family will be responsible for 20% of the annual tuition, plus nonrefundable fees and deposits.

Withdrawal anytime during the first quarterly grading period: Family will be responsible for 45% of the annual tuition and other fees pre-paid or otherwise, plus nonrefundable fees and deposits.

Withdrawal anytime during the second quarterly grading period: Family will be responsible for 75% of the annual tuition, plus nonrefundable fees and deposits. And will not be refunded any other fees, pre-paid or otherwise.

Withdrawal anytime after the start of the third quarter: Family will be responsible for 100% of the annual tuition, plus nonrefundable fees and deposits. And will not be refunded any other fees, pre-paid or otherwise.

Any refund requests are to be made in writing via TCS Student Withdrawal Form and signed by the parent(s) for approval by TCS. Transcripts will be held for any unpaid items. Refund checks will be issued within 30 days of receipt of signed TCS Student Withdrawal Form and must be made payable to the same person(s) or entity that made original payment.

#### Note:

The February 15th date refers to the February 15th of the year prior to the school year for which the student is enrolling. It does not refer to February 15th of the current school year from which withdrawal is sought.

#### FIELD TRIPS

Fun and exciting field trips are planned each year by our teachers to supplement their classroom curriculum. Parents are needed and encouraged to serve as chaperons.

#### Chaperons Information:

- Chaperons are required to pay their own admission fee, when applicable. These fees are non-refundable.
- Chaperons are required to have submitted to and successfully passed a Level 2 background screening through USE Electronic Fingerprinting, Inc.
- Driving chaperons are required to provide The Christ

School with a copy of their driver's license and auto insurance card prior to the day of the field trip.

- Drivers may request reimbursement from TCS for parking fees and tolls incurred on field trips.
- Chaperons should report to the classroom teacher to receive their carpool assignment.
- Chaperons should travel directly to the field trip location and upon completion of the field trip, return directly to The Christ School. Chaperons are expected to arrive on time. Leaving early or driving separately from the rest of the group is prohibited.
- Parents should not make special stops or deviate from the travel plan for any reason. It is the responsibility of the chaperons to observe and maintain the safety of all students in their care.
- Special treats should not be purchased for students unless all students in the class receive the treats.
- Parents who are separated or divorced must coordinate chaperon opportunities. The Christ School will not mediate these matters.
- Students should wear a green polo shirt unless other direction is provided.

Siblings are not permitted to attend TCS field trips. Parents are required to sign a Field Trip Permission and Waiver form before the start of school for school authorized field trips.

The Christ School curriculum includes overnight field trips beginning in the fifth grade. Students who do not participate in the trips receive an alternative study assignment. Parent chaperons are welcome to participate on these trips and are required to remain with the group for the entire trip. Chaperons must consider the safety and security of the students at all times and may not permit any student(s) to remain in or leave the hotel room alone. Chaperons and students represent The Christ School when traveling and should conduct themselves accordingly. Parents are required to refrain from consuming alcoholic beverages while on field trips with The Christ School.

#### **FUNDRAISING**

The school relies on the generous contributions and fundraising efforts of our supporters. The Christ School conducts an Annual Fund campaign and hosts The Mane Event, a social fundraiser including dinner and auction.

At limited times throughout the year opportunities for optional, discretionary donations will be presented to parents and supporters. Any additional fundraising events must be approved in advance by the development specialist.

## GRADING, PROGRESS REPORTS, RECOGNITION

The school year consists of four grading periods, each nine weeks in length. If, at any time, you have questions about your child's progress or grades, please contact the teacher to schedule a conference. The Christ School uses various methods to recognize students who have achieved out-

standing academic performance and who have demonstrated appropriate and responsible school citizenship.

#### HALLOWEEN POLICY

The purpose of this policy is to provide direction and expectations of faculty, staff and students regarding the observance of Halloween at The Christ School. Halloween is neither a Christian nor civic holiday, and given that it can so easily and quickly cross the line between innocent fun and an involvement with evil, our school's position is that Halloween will not be observed at school. It is the intent that the formation of this policy will eliminate or minimize any misunderstanding of the position The Christ School takes regarding this matter.

This policy makes no statement about those who do or do not choose to participate in Halloween outside of school. We view this as a personal and family matter. This policy simply prohibits any Halloween related observance at school.

Specifically,

- Students are not permitted to wear any type of Halloween costume at school
- Classroom celebrations, snacks, parties, etc. related to Halloween are not permitted
- Halloween related decorations of any type (jack-olanterns, witches, black cats, etc.) are not permitted in any school facilities (classrooms, offices, etc.)
- Fall decorations are an appropriate part of celebrating the seasons God has created. However, if a staff member is unclear if an item is a Halloween decoration or simply a fall decoration, the staff member should not use the decoration.

#### **HEALTH**

The school health care assistant will provide assistance with minor injuries and illnesses. If a student becomes sick, has a fever, or is seriously injured, the student's parents will be notified. All parents should complete the Student Medical Form on RenWeb.

It is essential that all students fulfill the State of Florida's immunization program and annual check-up requirements and provide documentation on forms provided by their pediatrician. These forms must be submitted to the school office prior to the start of school. The Christ School requires emergency contact information for each student. Please notify the school immediately if the contact information changes.

For your child's sake, as well as the health and safety of the other students, please use good judgment by keeping your child home if they are ill or show symptoms of illness. Students who report to school with a fever above 99.5 degrees will be sent home. Students must be fever free for at least 24 hours (without fever reducing medication, i.e. Ibuprofen, Acetaminophen) before returning to school. Similarly, if a student has had diarrhea and/or vomiting, he/she must be clear of these symptoms at least 24 hours before returning to school.

#### **HOMEWORK POLICY**

At The Christ School, homework is designed to help students achieve at the highest academic level possible. Schoolwork done at home provides training in study habits, skill and discipline; it increases background knowledge and conceptual understanding; and it provides experiences in problem solving and self monitoring. A respectful balance between family and community obligations and homework is desired while achieving the overall goal of academic success; therefore, homework will not be assigned on evenings with special events that are in conjunction with The Christ School. In general, students should plan for approximately ten minutes of homework multiplied by the numerical grade level (i.e. 4th grade = 4x10=40 minutes.)

Our homework assignments are deliberately and carefully planned as an extension of the curriculum. The goals are class preparation, practice, revision and exploration. As students grow and mature their capacity to reap benefits from homework increases; therefore, our school has graduated expectations with regard to student responsibilities for completing homework. As student responsibility and abilities increase, parent involvement in homework should decrease.

Homework at The Christ School is reviewed and feedback is provided to validate the importance of the assignment.

#### Kindergarten

- Approximately 10 minutes of homework is assigned daily Monday–Thursday.
- Parents are asked to read for pleasure with their children daily.
- An occasional family activity related to classroom learning may be assigned.

#### Grades 1 and 2

- Approximately 10-20 minutes of homework is assigned daily Monday–Thursday.
- Homework is typically assigned in reading, mathematics and spelling.

# Grades 3, 4 and 5

- Independent reading for pleasure should be reinforced at home.
- Parental support is necessary to check that assignments are complete and represent sincere effort and good quality. Student planners are used to record assignments.
- Parental guidance on projects should be limited to providing materials, assistance with planning, and timely completion.

#### Grades 6, 7 and 8

- Approximately 60-90 minutes of homework is assigned daily Monday–Friday.
- In conjunction with RenWeb, student planners are used for recording and tracking assignments and project due dates.
- Students are required to read novels of their choice outside of the classroom.
- Parental support may be necessary for studying for quizzes and tests and for assisting with time management for project completion.
- Increased student independence on assignments should be encouraged, but still monitored by a parent as necessary for timely completion and high quality.
- As students become more independent, parents are urged to find a healthy balance between encouraging students to take responsibility for their own academic achievement while still interacting to ensure the student's successful performance in school.
- Homework is expected to be submitted on the due date.
- Teachers collaborate in order to coordinate tests, special projects and other assignments.

## NATIONAL JUNIOR HONOR SOCIETY, THE CHRIST SCHOOL CHAPTER

Membership in the NEHS or NJHS is one of the highest honors that can be achieved by a student. To be eligible for membership in the National Elementary Honor Society or the National Junior Honor Society at The Christ School, a student must be a fourth or fifth grade student (NEHS) or seventh or eighth grade student (NJHS). The student must be in good standing and have been enrolled at TCS for at least one full semester.

Students do not apply for membership but are first offered an invitation to be considered for induction. Invitations are handed out in the spring before membership year starts. Invitation candidates are identified by grades and conduct. Rising fourth, fifth and seventh graders must earn all A's and have and no serious misconduct to be offered an invitation. Rising eighth grade students must maintain a cumulative unweighted 3.5 GPA during middle school and have no serious misconduct. The student must also meet the other requirements described below.

It is expected that all students considered for membership will take the initiative to thoroughly complete the required information and demonstrate the desire to become a member by properly submitting the information on or before the deadline. Forms submitted after the deadline will not be considered. With the invitation, students are also provided a detailed letter, which instructs them on the proper procedure to follow. Students are to complete the information themselves. Proper submission of the forms is required, but it is not a guarantee of acceptance. Upon submission of the appropriate forms and after prayerful consideration, a five-member faculty council selects students to be inducted. Neither the Head of School nor the NEHS or NIHS advisers are voting members of the faculty council. GPA does not guarantee acceptance. Evaluation is based on five criteria: scholarship, service, character, leadership, and citizenship. Each area is equally weighted. Students are not informed of their acceptance in NEHS or NJHS until tapping. It is not until the induction ceremony that the student becomes a member. According to the national bylaws, all inductees must participate in the induction ceremony. The induction ceremony is a formal ceremony held in the spring. A student must maintain an un-weighted GPA of 3.5 as the minimum scholarship requirement to remain a member. Member status will be re-evaluated at the end of each school year.

Those not selected may appeal to the Head of School as directed by the organization's bylaws. The student must submit his or her written appeal in a timely manner. However, according to the bylaws, "Chapters are not obligated to share with parents and students information

concerning specific students not selected for membership in the Society." In order to retain membership, students must:

- (1) Participate in the service projects,
- (2) Attend meetings and ceremonies,
- (3) Maintain all the requirements necessary for acceptance.

#### NON-DISCRIMINATION

The Christ School maintains an open admission policy and does not discriminate on the basis of race, color, gender, religion, national or ethnic origin.

#### NON-PUBLIC SCHOOLS EVALUATION OFFICE

The Orange County Public School system maintains an office designed to serve non-public students. Their role is to assist in determining if a private school student needs or qualifies for exceptional educational services. When appropriate, services may be provided for parentally placed private school students with identified disabilities. Your child's teacher is the first point of contact for information regarding the referral process for these services.

#### PARENT TEACHER FELLOWSHIP

The Christ School is blessed with an active and supportive Parent Teacher Fellowship.

- Executive Council meetings are held on the first Thursday of alternating months at 8:15 a.m.
- Monthly council meetings are held the second Thursday of each month at 8:15 a.m. All parents are welcome to attend the monthly council meetings.

Additional sports may be offered based on the interest expressed by our students and families and according to the availability of facilities and coaches. Interscholastic sports play is available to TCS students in sixth through eighth grade. Interscholastic sports are a privilege and require the student to maintain an acceptable performance level in the areas of conduct and academics. Students must maintain a cumulative grade point average of 2.0 to be eligible to play or try-out for sports. Any student athlete with a failing grade on an interim report or report card, or who at any time demonstrates conduct that needs improvement or is unsatisfactory, may receive one or more of the following consequences: ineligible for one or more practices or games; detention; suspension or dismissal from the team.

It is our intent to foster a desire for excellence, an appreciation of the opportunity to participate in team sports and a sense of responsibility for each athlete's personal, academic and spiritual growth.

Lower School sports are offered to Kindergarten through fifth grade. Sports offered include boys' and girls' soccer, basketball, tennis, swimming, cheerleading, boys' flag football and girls' fourth and fifth grade volleyball. Parents who are routinely late picking up their children may lose the opportunity to participate in this program.

The goal of the REACH program is to provide a safe, secure and loving environment. Planned activities include homework time, indoor and outdoor recreation, arts and crafts, movies and other activities. Snacks are provided daily. #### **FEES**

Payment for REACH must be made prior to attending. For those with existing FACTS accounts used to pay tuition, these programs may be added to their account. Late pick up fees (\$10 per fifteen minute period or portion thereof) will be billed to the parent's account.

Before School Drop-Off at 7:00 a.m., pre-registered	\$545.00/year
After School Pick-up by 6:00 p.m., pre-registered:

#### **SAFETY AND SECURITY**

The safety of our students, staff and visitors is our primary responsibility. On campus security guards patrol the campus and monitor security cameras. Our classroom building is secure and access to visitors is available through the reception area. All visitors, including TCS parents, are required to sign in at the first floor TCS reception desk and wear a visitor's badge. All school staff members are expected to question anyone they see in the building without appropriate identification.

The school conducts regular emergency drills and has exit maps posted in each classroom. During the threat of a hurricane, please monitor local news outlets and The Christ School website. In the event of severe weather, The Christ School will close school on any day that OCPS closes school due to weather. TCS may resume classes earlier providing facilities and other factors warrant reopening school.

# **SCHOOL PICTURES**

Parents will have the opportunity to purchase professional photographs of their child at two times during the school year. In September, a professional photographer will take color photographs of each class and student. In February, a professional photographer will take black and white, candid photographs of each student.

## **SCHOOL SUPPLIES**

School supply lists are available on RenWeb prior to the beginning of the school year.

#### STUDENT UNIFORM POLICY

The Student Uniform Policy has been developed to provide a uniform, consistent appearance for our students. Uniform policies and procedures are re-evaluated at the end of each school year and any necessary adjustments are made.

Students have several uniform options. It is the parent's responsibility to make sure their child complies with the student uniform policy each day when they leave for school. Students who are not in the proper uniform may receive one or more of the following consequences: a verbal notice; a written notice sent to the parents; or the

student may be sent to the office and instructed to call their parents to bring the proper uniform to school. In the event of infractions related to hair or makeup, parents may be called to pick up their child from school. Students will be allowed to return to school once the infraction has been corrected.

All uniform apparel must be purchased from either Dennis Uniform or Lands' End. To ensure a proper order, please provide The Christ School preferred school number when placing an order. #### TARDY POLICY

The Christ School day begins each morning with All School Chapel. Chapel begins immediately following the end of morning carpool at 8:10 a.m. Daily chapel is a distinctive and integral part of the school day at TCS. Students not in attendance for chapel are considered tardy to school. Late arrival to Chapel is disruptive to the worship environment; thus, students are not permitted to enter chapel once the service has begun. Students who arrive to school during chapel must report to the 1st floor reception desk and will be recorded as tardy by the receptionist. Tardy students will join their class following chapel. All tardy arrivals are recorded in RenWeb as part of the student's school attendance record.

More than five (5) tardies per quarter is considered excessive. The Academic Office will monitor and address excessive tardies on an individual student/family basis. A continued pattern of consistent tardies may result in a parent conference with the Director of Academics and Student Programs in order for enrollment at The Christ School to continue.

#### **TEACHER-PARENT CONFERENCES**

Teacher-Parent conferences will be scheduled a minimum of twice a year including one in the fall and one in the spring. Please do not hesitate to request an additional conference when you have a concern.

## **TECHNOLOGY**

# RESPONSIBLE USE AGREEMENT

Access to current and emerging technologies is readily available to the students and faculty at The Christ School. It is the goal of TCS to utilize these technologies to promote educational excellence through innovative and collaborative learning opportunities between students, teachers, and the world outside the classroom.

In order for the benefits of technology to be fully realized, students must be taught how to use it responsibly and appropriately. This goal is best accomplished via a partnership between the school and parent.

#### Intent

- Students will learn to use technology in a safe, effective and respectful manner.
- Parents will educate themselves to understand the benefits and risks of their children's technology use.
- The school will continue to pursue technology excellence.

- establish important safeguards regarding the use of its equipment and network.
- TCS will provide firewall to manage access to online content via the school network.
- TCS will provide significant oversight of students while they use on-campus resources and consistently enforce the rules regarding technology use on campus.
- TCS will educate students in 21st century technological skills, including the rights and responsibilities of digital citizenship.
- TCS will communicate often with parents and students regarding the expectations of student behavior.

#### Parent Responsibilities

- Parents will educate themselves with and understand the technologies that students are using or have access to at home or with friends.
- Parents will be alert and actively monitor children's off-campus use of technology.
- Parents will openly communicate their expectations

regarding technology use and discuss them openly with their children.

- Parents will provide a level of supervision appropriate to the age and maturity of their children, observing online communications including email, text messages, social networks, etc.
- Parents will establish and consistently enforce household rules regarding technology use.

#### **Student Responsibilities**

- Students will understand and comply with school policies and household rules regarding appropriate behavior concerning their use of technology both online and off.
- Students will communicate openly and honestly with parents regarding their use of technology at school, at home, and in the homes of others.
- Students will cooperate with teachers and school administrators regarding technology use both on and off campus.

# Technology Code of Conduct Academic Honesty:

Plagiarism is taking the ideas or writing of others and presenting them as if they were yours. Students will not plagiarize works that they find on the internet or in other written materials. If they use the work or ideas of others, they will always acknowledge the source and author.

copyright laws and regulations for all media. Students will have e-mail, chat, and Skype access only under their teacher's direct supervision for specific instructional purposes.

# **Appropriate Language:**

Students will not use obscene, profane, vulgar, rude, threatening, or disrespectful language. Students will not use technology resources to harass or annoy another person. Students will not knowingly or recklessly post false or defamatory information about a person or organization.

# **Respect School Property:**

Students will not damage, misuse, or inappropriately access the technology equipment of the school or others. Students will not intentionally harm, modify, destroy, or damage computers, networks, software or equipment; spread viruses or worms; or interfere or attempt to interfere with system security in any way.

Students will agree to follow all posted computer rules and restrictions and follow this Technology Code of Conduct in all their work with any computers or handheld devices used at The Christ School.

#### **Supervision and Monitoring:**

Teachers and administrators at The Christ School will monitor and supervise students to ensure that uses are secure and follow the Technology Code of Conduct. Administrators have the right to view and examine any information on the school's devices and those that students may be allowed to bring to school in order to further the health, safety, discipline, or security of any student or member of The Christ School community.

#### **Consequences:**

Violations of these rules may result in disciplinary action, including the loss of a student's privileges to use the school's information technology resources.

#### Chromebooks and iPad's:

The Christ School's Chromebook and iPad Policy is part of this Responsible Use Policy.

#### THE CHRIST SCHOOL CREST

The Christ School crest has been designed to capture the beliefs, the principles, and the convictions upon which our school was founded.

First and foremost, the exalted **cross** acknowledges the Lordship of Jesus Christ over all things. Our school's name, deliberate in its intent, places Christ front and center where He belongs, and expresses our desire to exalt His name, His teachings, His examples, and His will in the lives of all associated with our school. (*Colossians 1: 15-20*)

The open **Bible** symbolizes the centrality of God's Word to humankind. The Scriptures of the Old and New Testament will occupy an important place in all our instruction. (2 Timothy 3: 14-17)

The **dove** descending from heaven represents the Holy Spirit and the **flame** represents academic excellence. Combining the dove and the flame not only reminds us of the purifying, refining fire of the Spirit of God at work in our world, but also affirms that academic pursuit in the context of the Christian faith yields an educational experience of the highest and purest quality. (*Acts 2: 1-3, Galatians 3: 23-28*)

Finally, the **shield** of faith declares our commitment to stand against the evil that exists in our world and to prepare future generations to live by faith in the world of which they are a part. (*Ephesians 6: 10-17*)

# VISITATION OF CLASSROOM / EARLY PICK-UP OR LATE DROP OFF

Parents are welcome to experience the classroom learning environment during specific times scheduled by the teachers throughout the school year.

In order to ensure the safety of our students and to serve our families most efficiently, all parents/visitors/guests must sign in at the first floor reception desk and obtain a name-tag. The school receptionist will assist those who need access to other parts of the school building. Visitations to classrooms are only permissible when prior arrangements have been made with the classroom teacher.

All parents, guests, and visitors transiting beyond the front desk or waiting area must sign in and wear a name tag.

Parents dropping off students after carpool ends at 8:10 a.m. must walk their child into the school and check the student in at the first floor reception desk. The student will then be escorted to their class. Parents may not walk students to their classroom.

To pick up your child before the end of the school day, check in at the first floor reception desk and The Christ School receptionist will arrange for your child to meet you at the reception desk.

Parents picking up students in the school clinic must sign in at the first floor reception desk and then may proceed to the clinic.

Parents bringing a forgotten lunch, backpack or other item, are to leave them at the first floor reception desk. We appreciate your cooperation in following these procedures. Our priority is to provide a safe environment for our students and to serve our families most efficiently.

# **VOLUNTEERS**

We are so grateful for the many parents and friends who give freely of their time in support of our school's mission. The Christ School is a much richer learning community thanks to your help. There are a few items to remember as you volunteer at The Christ School. First, it is the responsibility of the teacher or office staff you are helping to fully explain what is expected of you. This explanation should include your duties, the time frame required and any special instructions. Please do not hesitate to ask your classroom teacher or a school staff member if you need any additional information.

Please record your hours in the notebook kept at the 1st floor TCS reception desk. Whatever you do, whether at the school, at home, or on a field trip, it is important for you to enter the number of hours worked in the notebook. This information is important for us to include in grant requests, award applications, school accreditation and it is a measure of our parents' support. Our volunteers, on average, have contributed almost 30 hours per student per year to the school, a truly outstanding effort! Once again, thank you for your willingness to help!

# VOLUNTEER / CHAPERON BACKGROUND CHECK POLICY

In an effort to ensure the safety of our students and based on requirements of The Christ School's (TCS's) accrediting organization, Christian Schools of Florida (CSF), The Christ School requires all volunteers or chaperons who are granted unsupervised access to our students to have on file with TCS a report stating that this person has submitted to and successfully passed a Level 2 Background Check. Unsupervised access is any and all contact with TCS students during any and all TCS events when a faculty or staff member is not directly present and responsible for said students.

Additionally, all volunteers who participate in any off-campus activities with students are required to have submitted to and successfully passed a Level 2 Background Check. This policy applies to any person attending a field trip, or anyone who may drive or ride in transportation to or from a field trip.

Confidential background reports will be submitted from the fingerprinting vendor directly to the administrative assistant to the Head of School.

In the event a report is returned noting a criminal background, the report will be reviewed by the Head of School and a determination will be made regarding unsupervised access eligibility. This determination will be guided, in part, by the State of Florida Ethics in Education Act.

A listing of all approved volunteers will be continuously updated and made available to all TCS faculty and staff. Faculty and staff members are responsible for monitoring
