

Dear Parents of Eighth Graders,

It's time to plan for every 8th grade family's favorite part of the yearbook:

The 8th Grade Congratties!

The yearbook staff would love to feature your 8th grade graduate along with your priceless photos and personalized message in our 2012-13 yearbook!

Families have **two choices** in the size of their congratulatory ad: a **quarter of a page** (approximately 4.75 x 3.5 inches) or a **half page**.

- **Early Deadline Pricing:** For payments received in the TCS office on or before Wednesday, October 3rd: **\$90** for ¼ page; **\$180** for ½ page
- **Later/Final Deadline Pricing:** For payments received in the TCS office on Thursday, October 4th through Wednesday, October 31st: **\$100** for ¼ page; **\$200** for ½ page

Need some help getting started? Here are the simple steps to follow:

- Write a message and/or include an inspirational Bible verse.
- Email your text to PMinnick@thechristschool.org.
- Select **one or two photos for your ¼ page ad** or **up to four photos for your ½ page ad**.
- Photo choices can be a combination of a baby picture and a teenage picture; photos with special family members or pets are welcome, too.
- We recommend digital photos for better quality. **Email your digital photos to www.hjeshare.com** . **Use the TCS school code: 3065348** and follow the simple prompts.
- Please do *not* send any photos with copyrights unless you include written consent from the professional photographer.
- If you are scanning photos, they must be 300 dpi.
- If you do not have a photo in digital form, you may bring a hard copy to our TCS office along with your written message and payment in an envelope marked: "TCS Yearbook: Mrs. Minnick." We will return your photo when your Congrattie ad is complete.
- Please make out your check to TCS and specify "8th Grade Yearbook ad" in the memo space. The yearbook staff will begin the design of your Congrattie once payment has been received.

Please complete the form that follows and return it to the TCS office with your payment in an envelope marked: "Yearbook.: Mrs. Minnick." If you have additional questions, please email yearbook adviser Patricia Minnick at PMinnick@thechristschool.org .

The yearbook journalism class and I feel blessed to have you as a partner this year. We are grateful for your photo input as we plan and create this year's memory book!
